Chinese Association of Cognitive Behaviour Therapy

Dear Colleagues,

Two-Day Workshop on Cognitive Therapy by
Christine A. Padesky, Ph.D.

We take pleasure to announce details of a two-day workshop on Cognitive Therapy delivered by a world-renowned presenter, Christine A. Padesky, Ph.D. Please mark your diaries for 30-31 March 2012. The venue will be at The Chinese University of Hong Kong.

Dr. Padesky's workshops are being considered as highly sought-after events for clinicians worldwide. Many have travelled far and wide to attend her trainings which are often filled to capacity in no time. As one of the Honorary Advisors to CACBT, Dr. Padesky has graciously agreed to make a side-trip to Hong Kong after her teaching circuit in Japan.

This is indeed a rare opportunity to be able to attend Dr. Padesky's workshops in the convenience of a local venue. As seating capacity is limited, I urge you to submit your enrolment as soon as possible to avoid disappointment.

See you all at the workshop.

Wishing you a happy and healthy Year of the Dragon!
